

## EVO ACCESSORIES

EVO IN-VEHICLE EQUIPMENT SECURITY

## VEHICLE COMPUTER SAFES

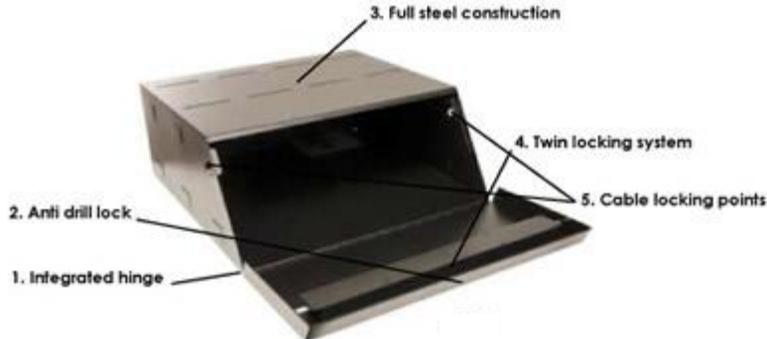

This safe provides secure storage for lap top PC workstations. Verify equipment size before ordering.

This solution has two methods of fitting:

**INSTANT** transferable solution operates using a hi-grade steel rope with unique lock being secured around a vehicle load mounting D Ring.

**FIXED** mounting within a shelving storage system applies bolting from inside the safe. The Safe remains transferable and supplied with steel rope and lock for use as described above when not in a fixed position.
